MEMORANDUM FOR THE RECORD

SUBJECT: Senior Staff Meeting, 11 May 1964

1. Mr. Cooper mentioned that the White House was concerned about the discrepancy between the Rand paper on [redacted] nuclear capabilities and U.S. Government papers. Dr. Wheelon commented that it was his impression that Rand was loathe to join battle in a legitimate way with those who are making studies and prefers to hit the Community with a poorly staffed fait accompli. Mr. Kirkpatrick directed John Vance to make a study of our relations with Rand and IDA.
